

**IMPORTANT NOTICE TO LOCAL 563 MEMBERS
\$2.00 PER MONTH BASE DUES INCREASE
EFFECTIVE JANUARY 1, 2021**

Per the governing constitution approved at the 2016 LIUNA International Convention, current monthly base dues for all locals are supposed to be set at \$39/month for active members. The International union has approved a dues variance specifically for Local 563 and has agreed to set our monthly base dues at \$36/month effective January 1, 2021 for active members.

Members who choose to pay their monthly dues annually will receive the twelfth month for \$1.00. The new annual rate will be \$397/year.

The retiree rate is \$8/month or \$89/year.

If you wish to have this removed annually from your vacation fund you need to call the office and request a dues authorization form.

If you have any questions, please contact our Minneapolis office at 612-781-6933.
