

January 4th, 2021 Local 563 METRO Union Meeting

Dear Local 563 members,

LiUNA requires that all locals hold monthly union meetings in 2021, and due to the unknowns of Minnesota's re-opening and current COVID restrictions, we will be holding the **JANUARY 4th** membership meeting virtually.

- To participate, members **MUST** register between **DECEMBER 28th— JANUARY 1st**, by using this link: https://us02web.zoom.us/webinar/register/WN_onJmMSauR-27BbL1nmFFvQ or go to our website www.local563.org, click on Local News, then January 4th meeting notice and the registration link is embedded for you to click on for easier access.
- Once you have registered and we verified you're a current member, you will be emailed a new link for joining the actual union meeting. Only the 2nd email will allow you access to the virtual meeting through Zoom, don't delete the 2nd link because we will not be able to give you a new one short notice.
- The Zoom link is **NOT** transferable and cannot be forwarded to anyone else. Recording or taking pictures of the virtual meeting is still prohibited and meeting content is for members eyes and ears only.

If COVID restrictions are lifted in December, we will host an in person and virtual meeting combined on January 4, 2021 **ONLY**. Virtual Union Meetings in the future, will only be hosted if there is no option to host meetings in person. (visit website www.local563.org for future meeting information)

Future in person Metro meetings will continue to be held at Banquets of MN located at (6310 Highway 65 NE) until further notice.
All MN outstate union meetings except ND are still postponed until further notice
