By my signature below, I voluntarily authorize the Trustees of the Minnesota Laborers Vacation Fund ("Vacation Fund") and its Administrator to deduct from my account my monthly dues to Construction and General Laborers Local 563 ("Local 563) and to forward the amounts deducted to the Union.

Dues Discount: I understand that these deductions will be made once at the beginning of each 12-month period, and each such deduction will cover my monthly dues obligation for the entire 12-month period. I understand and agree that the amount of each deduction will be equivalent to my monthly dues for 11 months plus $1.00 for the 12th month and a service charge. I understand that this is a discounted dues rate from what I would be required to pay if I paid dues on a monthly basis.

The date of the first deduction under this form will be on the next date when I owe monthly dues. I understand that payouts to me from the Vacation Fund will be reduced by the amount deducted for dues. I also understand that this authorization will be in effect until I notify the Union in writing that I wish to revoke this authorization. I further understand that **this request is only valid if there are sufficient funds in my account.** If dues are requested and my vacation fund account does not hold sufficient funds to pay the requested amount, I will be responsible for all payments of monthly dues necessary to maintain membership in good standing. In the event that I do not timely pay my monthly dues, I acknowledge that I am subject to suspension from membership for non-payment of dues. Payments made to the Union are not deductible as charitable contributions for federal income tax purposes. The proper working dues authorization must also be signed before any hourly working dues can be deducted.
